

Tarleton State University Dairy Club Dairy Judging Clinic and Workout  
Thursday, March 16<sup>th</sup>, 2017  
Taylor County Expo Center – Abilene, Texas  
5:00 p.m.

**Entries**

- \$25.00 per person
  - Anyone is open to be a part of the clinic including, teachers, coaches, and students.
- Entries will be taken online through [www.judgingcard.com](http://www.judgingcard.com). Here is the link to the registration page:

**Clinic Details**

- Starts at 5:00 pm and will last about an hour.
- A cow and a heifer class will be presented at the clinic. The animals used in the clinic will not be used in the contest the following day.
- An example pedigree set and an example herd record set will also be given at this clinic.
- After the contestants and Ag teachers/coaches have had 10 minutes to make their own placings, the official placing and reasons over the class will be given by the official judge(s). The audience will then have the opportunity to ask questions over the classes.
  - 4-H members will have to opportunity to hear at least one set of collegiate level reasons.
- *Benefits* – The clinic would be especially important to those ag teachers that want to learn and understand how the Texas FFA Dairy Cattle Evaluation Contests will be ran and judged. Also, it is a great opportunity for students to hear what the Texas FFA Dairy Cattle Evaluation judges have to say about classes and get a few great examples of how to judge.

\*\*There will be a dairy judging contest the following day on Friday, March 17th, 2017 at the Taylor County Expo Center starting at 9:00 am. If you are interested in attending that portion, please refer to <https://www.judgingcard.com/Registration/Info.aspx?ID=6136> for more information and registration.\*\*
