

Making a Difference

TEXAS SHEEP AND GOAT EXPO YOUTH PROGRAM

FIRST COMMUNITY SPUR ARENA

AUGUST 19TH – 8:30 A.M.

Be a part of the first statewide Sheep Skillathon Workshop ever offered. The Sheep Skillathon is a knowledge based competition designed to enhance the educational experience of youth by incorporating production and industry perspectives for Texas 4-H and FFA exhibitors. Contestants will be challenged with questions, skill stations, and a public speaking component encompassing various facets of the sheep industry. This contest is not only designed for those exhibitors who exhibit sheep projects, but also those students who simply have a strong interest in the sheep industry.

Hands-on learning from industry experts including Dr. Shawn Ramsey, TAMU; Marty Vahlenkamp, CEA-Hood County; and Chad Coburn, CEA-Sterling County.

Open to anyone wanting to know more about the Sheep Skillathon.

Online registration can be found at: <http://agrilife.org/westresults/registration>

Please contact Chad Coburn FMI at 325-378-3181
